

Make your own Hanukkah dreidel and show your support!

This Hanukkah will be the first holiday that the families of the abductees will celebrate without their loved ones.

The first Hanukkah candle on Dec. 7th marks two months of the hostages' stay in Hamas captivity.

Traditionally, the Hanukkah dreidel is marked with the letters **G N H S** which, in Hebrew, is an abbreviation meaning: "a great miracle happened there".

Gadol	Great	גדול
Nes	Miracle	נס
Haya	Happened	היה
Sham	There	שם

This Hanukkah our great miracle will be that **all abductees: women, men, children and elders, will return home safely!**

Take a picture with the dreidel and share it with the hashtag **#bringthemhomenow** to show your support!
